F. No. 1-9/2016(CPP-II)

February, 2018

Madam/Sir,

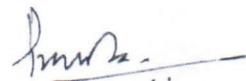

This is in reference to the various decisions being taken by the Government of India regarding reforms in higher education in the Country. One of the important dimensions of the reforms is to have stakeholders access to relevant information related to Higher Educational Institutions (HEIs) to assist them in taking informed decisions.

Accordingly, it has been advised that HEI, shall prominently display accreditation grade or unaccredited status as mentioned in the certificate / letter of the Accrediting Agency / Authority on the websites and in every material pertaining to the concerned institution for public information. Also in case of HEIs, those which are eligible and have not applied for accreditation, this status shall also be prominently displayed on home-page of their website.

You are requested to ensure the above in your esteemed university and convey the same to all the colleges affiliated to your university.

I look forward to your continued support in this endeavor.

Yours sincerely,

  
P.K. Thakur
