The Board also prepared the question paper pattern and scheme of Internal Assessment. The meeting came to a close with the members thanking the Chairperson.

CHAIRPERSON, BOS in History (UG)-2014
PREAMBLE:

The BA/BA (Hons) in History Course is a Credit Based Semester Scheme spread over Six Semesters for BA and BA (Hons). The course seeks to familiarize students with the major debates in Indian History and gives an overview of the important aspects of Indian History from ancient to contemporary times. Due importance is also given to the study of the West, Middle East and South Asia especially in the context of Post-Colonialism. The county is presently confronted with several challenges - communalism, caste conflicts, gender related issues, impact of globalization which are threatening the social fabric of the plural society of India. Ecological and environmental concerns at the national and international levels are taken into cognizance. In view of the co-relation between education and changing society it is imperative to enhance academic standards especially in times when the relevance of study of history is seriously questioned. It is essential to understand that we as a generation are in heritors of the great accomplishments of our forefathers. In strengthening the bond between the past and the future, social scientists, more so, students of history have a great role to play in connecting with the present. The focus of the curriculum has been mainly on socio-economic and cultural aspects though it is not divested of political or dynastic histories. With changing trends and latest developments in research updating of the curriculum is a necessary exercise. The intention is not a survey of the history of various periods but an indepth study of the problems and different perspectives. The aim is also to equip students for careers in teaching, research and civil services as well as strengthening analytical skills.
